

Movement Trends and type of returns by Border Crossing Points (BCPs) © IOM 2015

This document represents a summary snapshot of monitoring activities conducted by IOM and border monitoring partners at the border between Haiti and the Dominican Republic. The monitoring was put in place following the movements observed at the border before and after the 17th June 2015 expiration of the registration component of the National Plan for the Regularization of Foreigners (PNRE¹ in Spanish), established in the Dominican Republic. Monitoring of border movements began as of the first week of June 2015. Up until the 16th of June, figures are based on partial observations of border crossing points. The network's current structure covers 100% of border crossing points as of July 2015.

OBSERVED MOVEMENT TRENDS

- Slight increase of movement during this week compared to the previous week.
- Overall deportations (Claimed Deportations 314; official deportations 1,060) are slightly higher than spontaneous returns (1,350 individuals).
- Spontaneous returns continue to be assessed in unofficial border crossing points mainly.
- 219 Individuals interviewed at non official border crossing points have claimed being deported directly into Haitian territory, while 95 persons claimed to have spent time in a detention center before being forcefully returned to Haiti.

Table 2: Summary of monitored movements for this week⁶

Entry Status	Number of Returnees
Deported: Other	314
Deported: Official	1,060
Spontaneous Returns	1,350

Official Deportations

This week a total of 1,060 individuals officially deported were registered at the three border crossing points of Ouanaminthe, Malpasse and Belladères. Most of these deportations were carried out by the DR Immigration authorities (DGM).

The majority of returnees are individuals rather than households/families. Indeed a total of 1,046 households, corresponding to 1,060 individuals were officially deported this week.

Table 1: Official Deportations per official BCPs this week

Official BCPs	Households Deported	Individuals Deported
Belladères	153	154
Malpasse	372	373
Ouanaminthe	521	533

Deportation: The act of a State in the exercise of its sovereignty in removing an alien from its territory to a certain place after refusal of admission or termination of permission to remain (*Glossary on Migration*, p 18, IOM)

Spontaneous (migration) return: An individual or groups who initiate and proceeds with their migration plans without any outside assistance. (*Glossary on Migration*, p 62, IOM)

Official Deportations: Government organized returns which are carried out at the official Border Crossing Points (Ouanaminthe – Dajabon, Belladères- Elias Piña, Malpasse-Jimaní, Anse à Pitres-Pedernales) between the hours of 8:00 AM to 6:00 PM (border schedule). Before official deportations, relevant returnees receive an official notification regarding the impending deportation. Furthermore, information regarding the time and point of deportation are communicated to the Haitian authorities (Haitian Embassy/consulate). Official deportations are mostly carried out by the DR Immigration (DGM).

Other Deportations: Any forceful return which does not follow the aforementioned guidelines (also referred to as *claimed deportation*)

This report has been made possible through the funding support received from the Bureau of Population, Refugees and Migration (PRM) and the Office for the Coordination of Humanitarian Affairs (OCHA).

⁵ The difference between the previous SitRep and the current one is higher because the data is based on date of entry into Haiti and not date of data entry into the database.

⁶ The figures represented in this table correspond to the individuals who accepted voluntarily to be registered between the period from Wednesday November 11th and Thursday November 19th 2015.
